Tolerance
Zone

Patent: elastitag.com/patents

KEY:

 **Live Area** for copy & important graphic elements (.125"/3.2mm inside tag edge). A common color or seamless pattern/image can bleed to the edges of the tag. This will likely require continuous print sleeves.
For additional design help: www.elastitag.com/designer-info/

CUT TOLERANCE:

Artwork can move approximately .0468" (1.2mm) to the left or right of center on the tag. This is due to die-cutting machine tolerances.
